

Proposal: Retail Expansion for Acme Coffee

Prepared by Northwind Studio, March 2026.

Overview

Acme Coffee intends to open 12 new stores across Malaysia by Q4 2026. The budget for phase one is RM 4.5 million.

Approach

We will run a site selection framework, then a fit-out playbook, then an opening timeline. The main challenge is finding sites with the right foot traffic.

Investment

Our fee is RM 380,000 for the first phase, invoiced monthly. Deadline for the first three stores is end of June 2026.
